Special care and standards of conduct

- Follow only the marked trails
- Respect the birdlife. Do not touch the nests and avoid noise and disturbance
- Observe wildlife from a distance, preferably with binoculars
- Do not litter, drop the trash at a collection point
- Do not collect or damage the flora
- Respect private property
- Avoid behaviours that disturbs the local environment
- Do not light fires
- Be friendly to local people, clear about your purpose and about the waymarks
